

DEPARTMENT OF PHYSICS
RAJDHANI COLLEGE, BHUBANESWAR -751003

Name of the Department:	Department of Physics
Name of the project:	Search of potential oxide materials for magnetic refrigeration
Tenure of assignment:	12 months
Name of sponsoring agency:	OSHEC, Govt. of Odisha
Name of the position:	Project Assistant
Date/Time/Venue:	27.06.2024/11 am/ Department of Physics
Eligibility Criteria:	Master's degree in Chemistry/Material Science with minimum 55% or equivalent CGPA
Experience (Desirable):	Experience in material synthesis, Instrument handling, and data analysis and research paper writing
Remuneration:	Rs. 8000/- as per OSHEC norms
Age limit:	Maximum 32 years as on the date of interview. Age relaxations will be given as per Govt. of India guidelines
Nature of work:	The post holder is expected to perform material synthesis, characterization, data analysis and research paper writing. The post may require some travelling for doing experiments at core facilities

Documents to be submitted at the time of interview:

1. Bio-data
2. All original certificates and mark sheets (to be returned after verification)
3. One set of photocopies of all mark sheets and certificates (self-attested)
