### ABOUT COLLEGE

Rajdhani College, Bhubaneswar, an affiliated college of Utkal University, Odisha, started functioning as the Morning Shift of the B.J.B College, Bhubaneswar, in the year 1973, offering Intermediate and Degree Courses in the Arts Stream only. Within a short span of two years, it was able to come out of the shadow of the more pronounced elder institution. The college's location is quite fascinating, blending, as it were, the contrasting facets of the culturally rich capital city of Bhubaneswar.

The ancient Khandagiri and Udaygiri Caves, on the one hand, and the very modern AIIMS, SUM Hospital, and Biju Patnaik International Airport, on the other, are situated within a distance of 5KMs from the college. Our college got NAAC Accreditation in the year 2006 with B+ Grade despite its many infrastructural deficiencies. Still, the organization has overcome all its deficiencies and proudly announced it got **NAAC "A" Grade Accreditation.**

During the last 25 years, the institution's journey has often been laced with grave challenges, yet; it has stood up to them bravely and, rather, successfully. The college is a coeducational institution offering Honours teaching facilities for Degree Courses in Arts, Science, and Commerce streams. In the Arts stream, the teaching facility is extended to subjects like Economics, Education, English, History, Odia, Political Science, Philosophy, Sanskrit, & Sociology. In the Science Stream, there is a provision for teaching subjects like Botany, Chemistry, Geology, Mathematics, and Zoology up to the Honours level. In the Commerce Stream, Honours teaching is imparted in Accounting and Management. Besides, the College provides UG/PG teaching facilities in various subjects, i.e., Education in the Self-financing mode and Odia in the Conventional mode.

Keeping in mind the growing need for professional job-oriented courses in this district, the college has introduced the following courses from the current session.
